

## INSIGHT INSTALLATION DIRECTIONS

During the 2017-18 school year, all middle and high school students are required to install the INSIGHT software to complete their CDT assessments. Agora recommends families install the INSIGHT software using Mozilla Firefox. You cannot install the software using Internet Explorer.

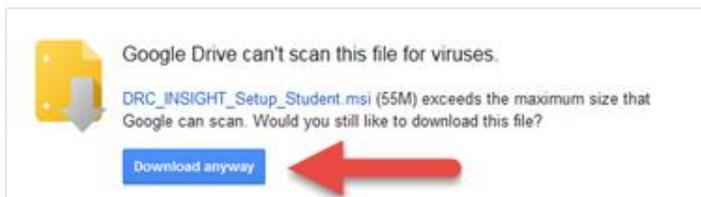

1. Click the installation link below:

[Tinyurl.com/CDTinstall](http://Tinyurl.com/CDTinstall)

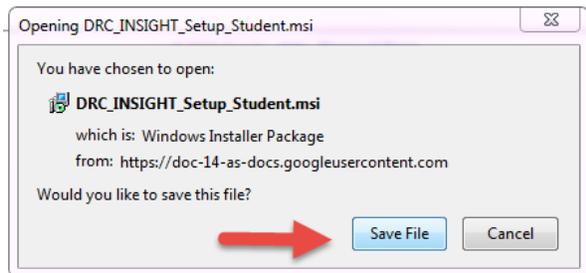

2. Click **'Download'**.

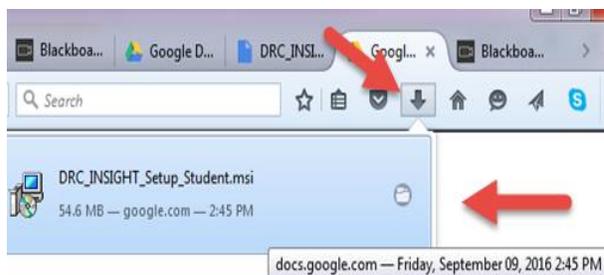

3. Disregard the security warning. The installation file is safe. 😊 Click **'Download anyway'**.

4. If using Mozilla Firefox, the next step after clicking **'Download anyway'** is to click

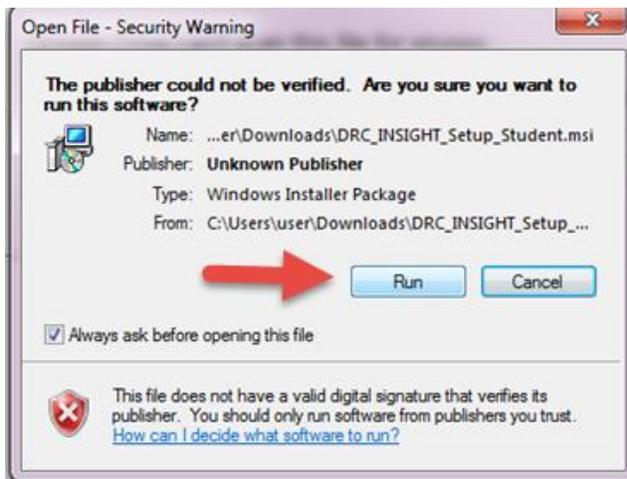

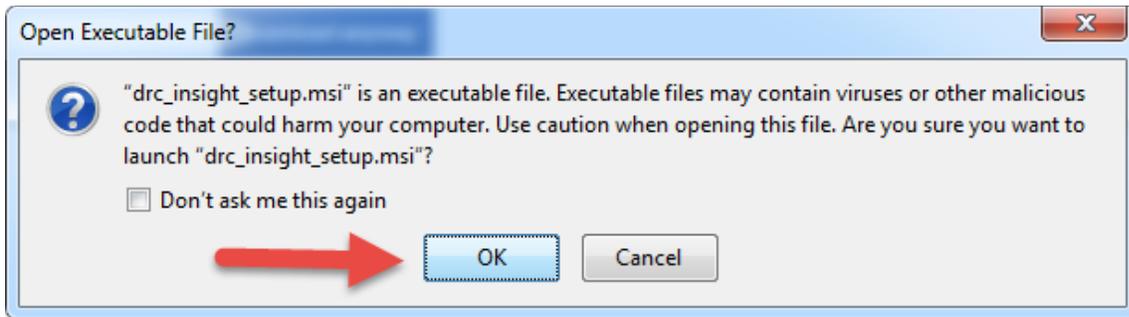

5. If using Mozilla Firefox and the file doesn't launch, click the arrow in the top-right corner of your page and select the file titled **'DRN\_INSIGHT\_Setup\_Student.msi'**. Then click **'Run'**.

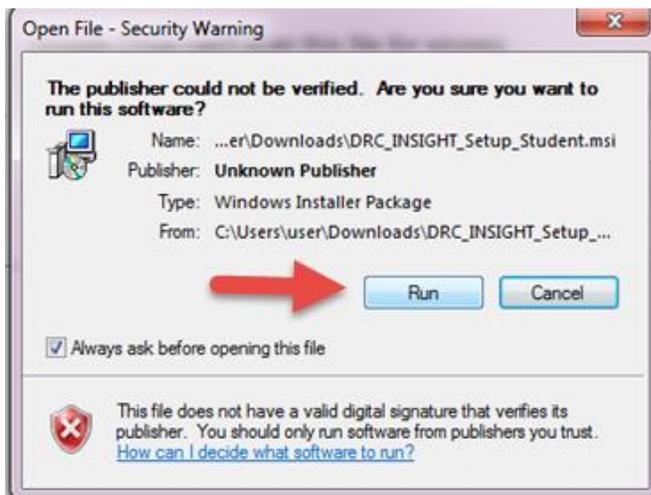

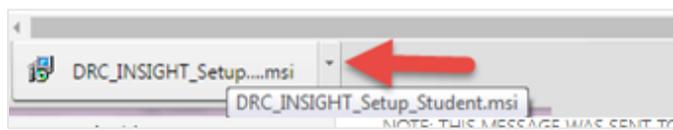

## INSIGHT INSTALLATION DIRECTIONS

6. If using Mozilla Firefox a security warning may appear. The file is safe. Click **OK** and then **Run**.

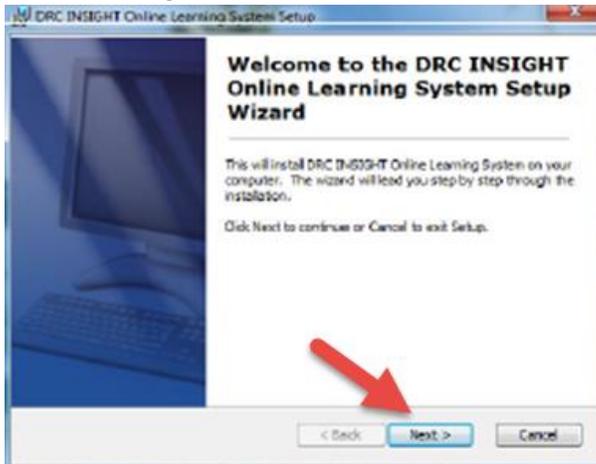

7. If using Google Chrome click the file in the bottom-left corner of the page to open the file. It is titled 'DRN\_INSIGHT\_Setup\_Student.msi'. Then click 'Run'.

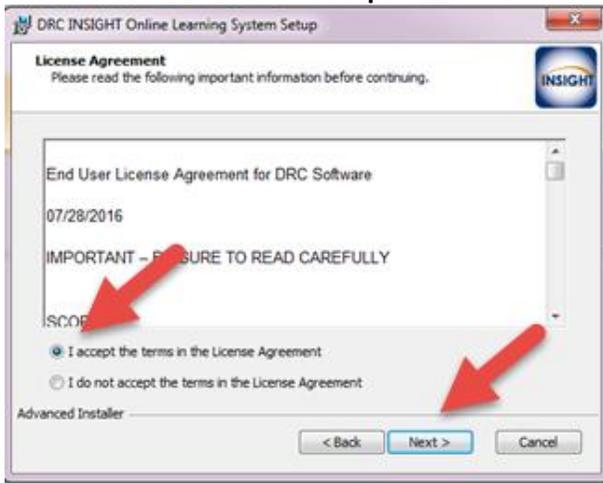

## INSIGHT INSTALLATION DIRECTIONS

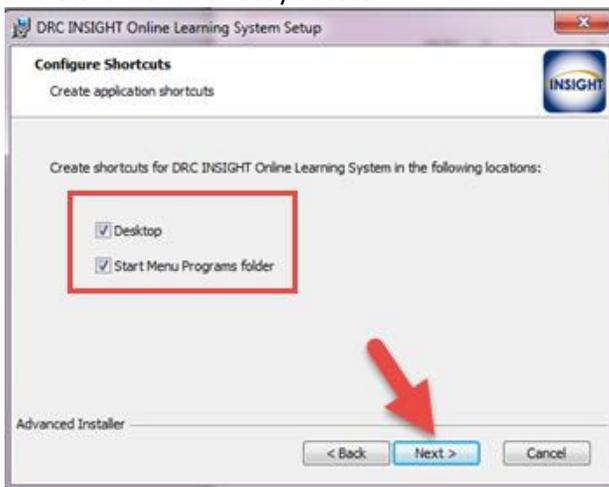

8. After selecting **Run**, both Chrome and Firefox will launch the System Setup Wizard. Click **'Next'**.

9. Click the bubble next to **'I accept the terms in the License Agreement'** and click **'Next'**.

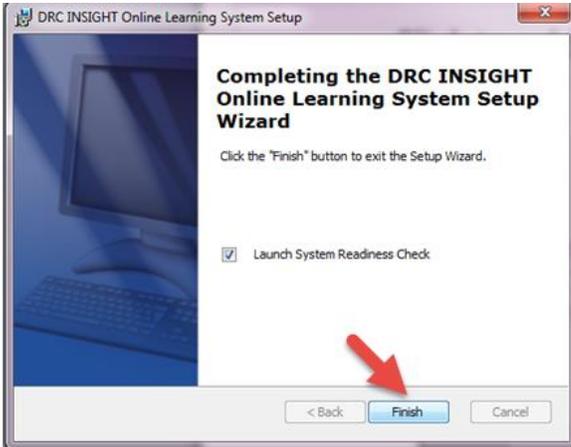

10. Leave the boxes checked and click **'Next'**. It's important to have the software on your Desktop and Start Menu for easy access.

Note, your computer will momentarily lock during the System Readiness Check and you will not be able to open any other programs. **Write down the following numbers: 594228827 before the next step.**

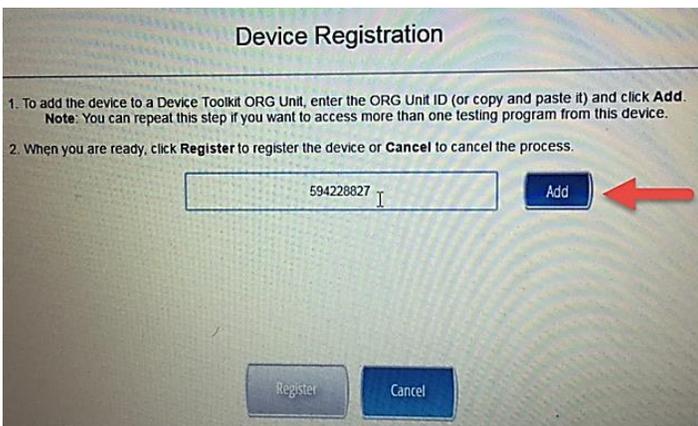

11. Click **'Finish'** to launch the System Readiness Check.

12. The **'Configuration Not Found'** screen will appear. Don't panic! There is no need to raise your hand or wait for help. Click **'Assign Device to ORG Unit'**.

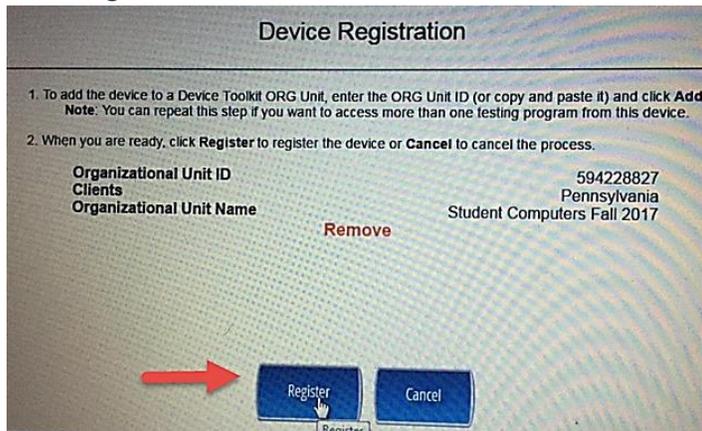

13. Enter numbers **594228827** and click **'Add'**

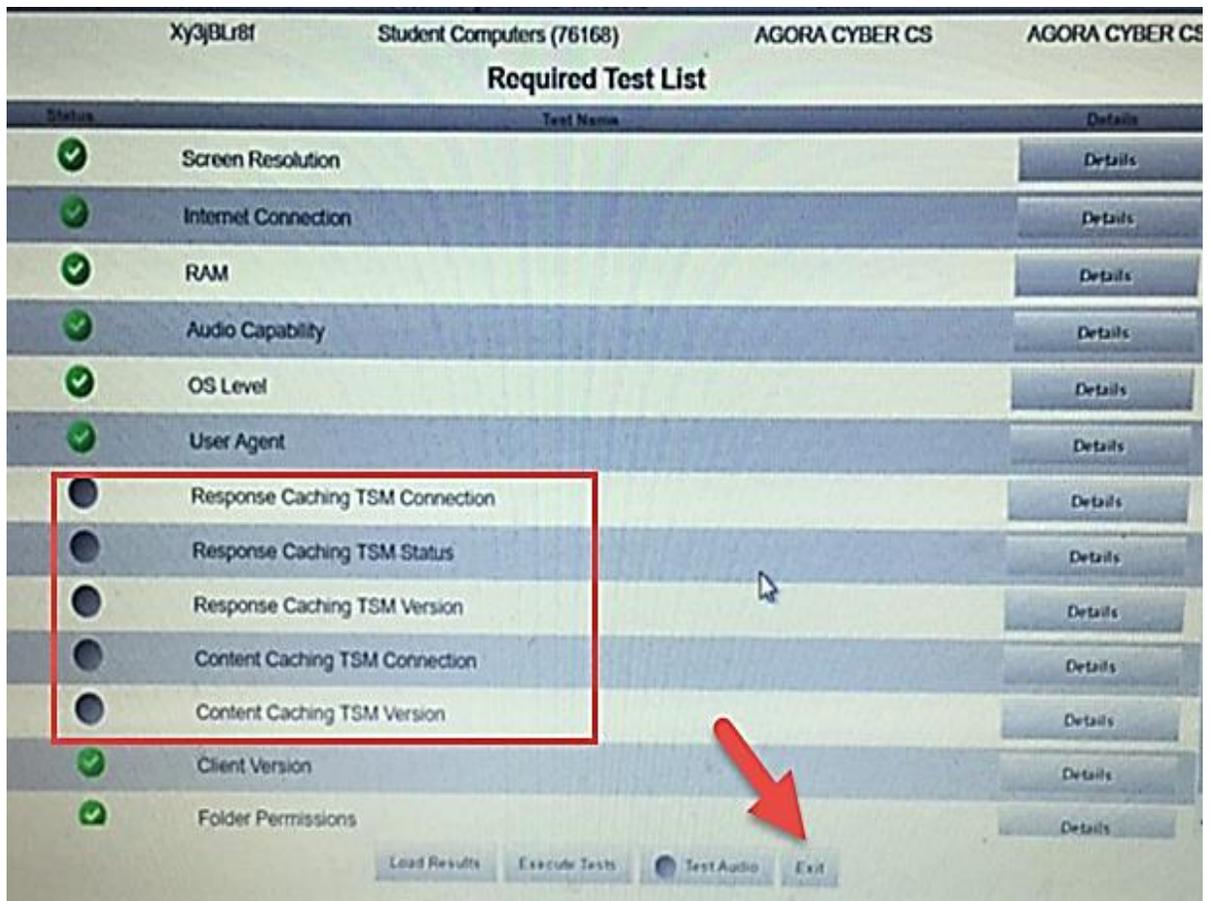

## INSIGHT INSTALLATION DIRECTIONS

14. Click **'Register'**.

15. Once the System Readiness Check begins, you will see check marks next to all items **except** the items beginning with **'Response Caching'** or **'Content Caching'**. **This is correct.** Agora students do not use these items. The test is finished once you check marks next to all of the other items.

16. Click **'Exit'**.

## INSIGHT INSTALLATION DIRECTIONS

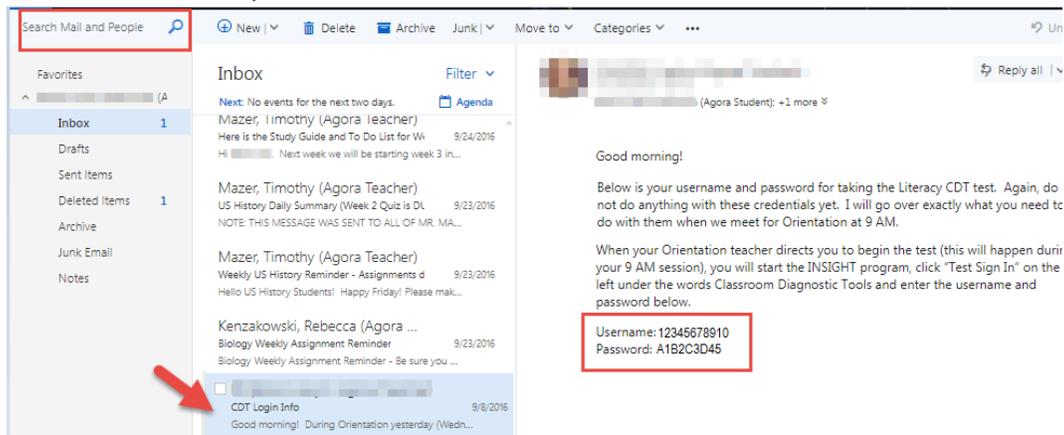

17. The Pennsylvania Online Assessments window will appear after successfully installing the INSIGHT software and exiting the System Readiness Check. You will also have a shortcut on your Desktop.

- If you have not received instructions from your teacher(s) to complete the CDT assessments, click **'Exit'**, in the bottom-right corner of the screen. No further action is required at this time.
- If you received instructions from your teacher to complete the CDT assessments, click **'Test Sign In'** under **'CLASSROOM DIAGNOSTIC TOOLS'**.
- *Optional:* Click **'Online Tools Training'** under **'CLASSROOM DIAGNOSTIC TOOLS'** to complete practice assessments to help you prepare to complete the CDT assessments.

18. Your CDT login will be provided to you through email. Only login if you received instructions from your teacher(s) to begin the assessments.

- Your Username is 10 digits and your Password is a series of capitalized letters and numbers.
- If you don't see the email, use the Search feature and type CDT.
- Write down your Username and Password.
