Transition-Specific Parent/Family Forums

The PA Council on Cyber Transition (PACCT) will again be offering transition topic parent/family forums open to all families of students in cyber education during the 2019-20 school year. These sessions will be held the 2nd Thursday of each month (Oct-May) from 7:00-8:00PM. Please mark your calendar to save the dates. More information will come out each month by email from Agora's Transition Coordinator, Morgan Witman. Keep an eye out for the upcoming speakers and links to attend.

If you are searching for additional resources on any topic related to transition or are interested in attending additional face-to-face or virtual events across PA, please visit the [Agora Special Ed Student Transition Webpage](#) for more information.

If you would like more specific information on these topics (OVR, Growth Mindset, ID/Autism/MH County Supports, Future Planning, CareerLink, Job Corps, LifeCourse Framework and Planning Tools), the slides and recording links from the [2018-19 Parent/Family Forum Series](#) are available.
