[READ FIRST] ClassLink Setup/Login Instructions!

What is ClassLink?

ClassLink is a single sign-on service that contains all of the programs your student has access to in one place! After an initial setup, your student will only need to sign in to ClassLink each day to access each program from the dashboard. It's simple and very convenient.

4. Select the **Online School** app.
 - Students are required to install the ClassLink extension the first time they access an app. Select **Install Extension** and follow the prompts.
 - Directions are also available at the following link: support.classlink.com/hc/en-us/articles/115006588748-Training-Materials

5. Return to the ClassLink page to log into the OLS.
6. Enter the student's Username, Password and select Log In.
 - Watch the video below if the Learning Coach and/or student Online School accounts are not set up. [Video: Set up the Online School accounts](#) or contact K12 Technical Support at 855-412-3712.

Log into ClassLink, the Online School & Join Live Sessions

7. Look under Class Connect Session for your schedule of live sessions to attend.
8. Click on the session title to join.
 - Students can join 15 minutes before the scheduled start time.

NOTE: The picture below is an example and may not reflect the student's actual Class Connect schedule.
