Give the Gift of Education ... Attend School on Asynch Days!

The best place to get an education is in school. Every day. On time. Here are a few reminders about attendance:

- Just a few missed days here and there, even if they are excused absences, can add up to too much lost learning time and put your child behind in school. This is as true in kindergarten as it is in high school.
- Make sure your child is in school every day, right up until vacation starts. Our teachers will be teaching and our students will be learning, but it is harder to teach and it is harder to learn when too many students are absent.
- December 21 is a full day of school and December 22, is a half-day of school. BOTH days are Asynch!

IMPORTANT REMINDER:

Students must log in through Agora.org by clicking on the Online School Login button on the top right of the homepage. This will ensure your student's login is captured. Make sure your student logs into their courses and completes work **every** school day.

Help Your Child Succeed in School:
Build the Habit of Good Attendance Early
School success goes hand in hand with good attendance!

Attendance Report Cards - Strive for 95!

On Thursday, December 14, parents/learning coaches will receive an **Attendance Report Card** in your email for your student(s). The Attendance Report Card is designed to inform you and your child of their daily [attendance](#) rate as well as the number and type of absences your child has accumulated through December 12, 2017.

Why do we need Attendance Report Cards?

- To bring attention to your child's attendance and to help you and your child create a plan for your child to attend school every day.
- All absences from school are missed opportunities for learning. Chronic absenteeism is defined as missing 10% or more of school days. This includes excused and unexcused absences. Absences can add up quickly. A child is chronically absent if he or she misses just two days every month!!

It is critical that students develop good attendance habits at a young age in order to maintain those habits as they get older. Attendance = Academic Success!

Agora Community Roundtable

Hosted by: **Agora Parent Teacher Organization**

**Agora Community Roundtable-
December 14 at 3pm and 7pm!**

Throughout the year, the Agora Parent Teacher Organization (APTO) will host open forums for parents and learning coaches featuring some of Agora's key administrators. This will be a chance to hear what's going on at school, ask questions and give input on important topics.

The next Roundtable, Agora Technology: Vision and Support, will be hosted by Mike Rublesky, Director of Technology. To join either session at 3 or 7pm, click here: <http://tinyurl.com/FamilyLCTraining>

Want to participate but can't make the meeting? Join the APTO's new Facebook group by clicking here: <https://www.facebook.com/groups/AgoraPTO1718>

Student Spotlight: Justin J & the Clover Rovers!

Justin J. is an 8th grader, who is in his 8th year with Agora. He is involved with the Chester County 4-H club, and part of their FLL (First LEGO League) Team, which recently took an impressive fourth place out of 40 teams in the "Dtown Dustoff" competition held in November! FLL challenges the youth to focus on core values of the team, research and presentation around a theme, and robotics design and game. The Clover Rovers team consists of 6 members whose challenge was to "Make the Best Better" on the Hydro Dynamics Challenge. The Challenge was to improve the way people find, transport, and use or dispose of water so the Clover Rovers focused on condensation and ways to gather/reuse water.

Justin, who is the "hacksaws" spokesman, appears in his team's video submission "Condensation Recycling" <https://www.youtube.com/watch?v=zgPOPka4UJM&feature=share>

Congratulations Justin and the Clover Rovers!

Student Spotlight: Sapphira L. Wins 2nd Place in K12 Art Contest!

Our superstar Kindergartener, Sapphira Lin, was awarded 2nd Place in the K12 Art Contest this year! She celebrated diversity and her family's heritage in her drawing, "Loving Where I Am From." Beautiful job Sapphira and congratulations to all of the Agora Eagles who submitted their work!

It's All About The Trades! Career Workshop

IT'S ALL ABOUT THE TRADES ... Students, have you ever considered becoming a Carpenter, Electrician, Cosmetologist, Ironworker, Plumber, or possibly a Welder in the future? Did you know that many of the highest paying trades in America are filled with people who began their careers with a short skills-based education from a vocational or technical college?

If you're curious to learn more, join Agora School Counselors, Mrs. Whitney Patterson and Mr. Barron Whited for the second part of the "It's All About the Trades!" workshop on **Tuesday, January 23 from 12noon - 1pm. Please fill out this quick survey to be invited to the session:**
